REQUEST TO MAKE DRAWING CHANGES

Hon. Commissioner of Patents and Trademarks
Washington, D.C. 20231

In response to the objection under 37 C.F.R. 1.83(a) set forth in the Office Action mailed on July 18, 2002, please find attached hereto a proposed drawing correction. That is, the correction is the addition of Figure 3 (no other corrections or changes are proposed). Applicants believe that this drawing correction does not add any new matter. Support for the additional drawing can be found, for example, on Page 4, Lines 20-23, Page 8, Lines 30-35, among other portions of the instant specification. Applicants respectfully request an indication that this correction is acceptable.

Should there be any fee due with this Response or otherwise due in connection with this Application, please also charge the same to Deposit Account No. 15-0680.

Respectfully Submitted,
